SAFEGUARDING UPDATE

There is now a Basic Awareness Safeguarding Course (C0) online that needs to be completed by all those who have a role in the Church, particularly anyone in who has not done a training course with Jane Maclean, and is going to help out with holiday club this year.

It is also for anyone on the PCC, even if they don't help with the youth in the church. We have a number of vulnerable adults attending church and the Diocese team say that PCC members should be aware of Safeguarding procedures. Please note that completion of this course is a prerequisite for any other safeguarding training. If you do not have access the internet this course is also available as part of a face-to-face course. In order to carry out this course, link to <https://safeguardingtraining.cofeportal.org/>
