### **Safeguarding Research**

"Dr Craig Harper from Nottingham Trent University, along with colleagues from the Church of England, is conducting some research on how members of various communities make sense of allegations of abuse. By taking part in this research, which we believe is the first of its kind in the UK, the Church stands to gain much-needed knowledge about how members of our community make these decisions. This knowledge will help us to better serve and protect the children and adults we are responsible for. The research involves completing an online questionnaire, which should take approximately 10 minutes. It is completely confidential and you have the right to withdraw at any point. If you would like to take part, please click on the link below which will take you to further information about the research, and to the questionnaire itself"

**CAP BBQ** It was lovely to have a good number of CAP clients and their children join us at the BBQ last Saturday, where we also had one of our CAP regional evangelists, Kathryn, share her story and how much God loves us. A special thank you goes out to those who helped on the day, and those who brought savoury food and lovely puddings. Let's keep praying that the good seed sown will fall on good soil, and that this event was part of people's journey into the Kingdom of God.

**CAP DISCOVERY BREAK** Whilst the St Johns' Holiday Club is happening this week, on Tuesday, Steve Hart & Mary Irwin will be joining 90 CAP families/individuals at Brunel Manor on a 3 day break, where we will experience fun and laughter as our clients relax into a short holiday and I'm sure appreciate spending time together. So whilst you are praying for the Holiday Club, please also remember the CAP Discovery Break. Thank you.

“**Thank you!** from Becky and James for the kindness of church members following the recent damage to our cars.”

**Hope for Kids** The latest news and prayer letter is on the ledge by the servery at the back of St John’s. Please take time to read it.

**It is not too late!!**.....to offer help on one of many rotas being prepared for the coming months. Please speak to Kath in the church office.

### RINGING REMEMBERS.

NEW Ringers are needed for a special event on Sunday November 11th, but we need ringers for every Sunday and other occasions. Training is FREE. At St John’s we try to ring every Sunday, and we hope it is appreciated. But for this to continue we must have volunteers. Learning to ring needs commitment, and it’s not something that can be picked up quickly but the younger you are the easier it can be. We have aids to learning- simulator and cctv showing what the bells are doing as you pull, and there are apps too for your 'phone. The age for learning ringing can be from 10 to 70 plus., and it can become a fascinating hobby. Roger Fox 01935 862041 would like to hear from you, and you are welcome to come and watch us any Sunday before the 10.30 Service.

**Lord’s Larder** is currently running short of :-

*Cartons of UHT Milk, Tins of Macaroni Cheese, Tins of Peas, Tins of Carrots, Tins of Potato, Tins of Tomatoes, Tins of Mince, Jars of Pasta Sauce, Packets of Pasta n Sauce, Small bottles of Water, Tooth Brushes, Nappies Sizes 4,5,or 6* These and all other in date, long life food items would all be gratefully received. Thank you for your continued support,
